In view of the DO. No. 1-1/2006 (CPP-II) dated January 7, 2020 by the University Grants Commission, the Government of India has prohibited electronic cigarette and parts thereof through promulgation of "The Prohibition of Electronic Cigarettes Ordinance, 2019" to minimize the adverse affects on cardiovascular and respiratory system of human body. Nicotine in any is harmful that can damage the growing mind.

Therefore, the circular may be displayed in the Notice Board of the School/Department/Colleges for larger awareness and sensitization. The Departments/Colleges may also like to organize such campaign at their departmental and college level to bring awareness and help in making zero percent use of e cigarettes in university/college campuses.

With a request to put in notice board.
